Dear Lars:

Enclosed you will find several documents that need your signature. Please sign the attached (where noted) and have the specific documents (where flagged) notarized; signed, dated and stamped by a notary. When executed, please return the papers to me in the enclosed self-addressed postage paid envelope. Lars, we would certainly appreciate it if you could send these documents back to us as soon as possible. We need to get these patents filed.

Thanks so much Lars and let us know how you are doing.

Sincerely,
